#504 - ELECTRIC RADIO-CONTROLLED VEHICLES

General 4-H Project

Member MUST participate in County Project/Interview Judging or 4-H Project will be INCOMPLETE.

Member must attend General 4-H Project Judging Day to be eligible for County Placement and State Fair Selection (if applicable).

If the member cannot attend Project Judging, your project can be judged at Early Judging. However, Early Judging participants will not qualify for County Placement or State Fair.

Project must be displayed at the Ross County Fair to receive fair premiums.

For Project Judging Dates & Times & Details:
ASK your Club Advisor
READ the May Family HOTLINE sent to every 4-H family
LOOK on the 4-H website http://ross.osu.edu

NOTE: Not for use with ready-to-run cars, or with boats, aircraft, or gas-powered vehicles. Requires youth to buy a kit and to build a car. Member should have guidance of a knowledgeable adult.

Skill Level: Intermediate (age 11 and older)

Completion:
1. Complete the "Step 1: Project Activities" on page 7 (Safety Checklist, all 10 Activities, and all 3 Records).
5. Build a car.
6. Prepare an educational exhibit based on this project (item made from project book, photo exhibit, notebook, scrapbook or poster (minimum 14” x 22” and maximum 22” x 28”).
   a. Example: Collection of Basic Tools (pg.23)
   b. Example: Poster of Car Components/Parts (photos or drawings)
   c. Get Creative!

Judging:
1. Interview based on skills learned, activities completed and educational exhibit.
2. Bring to interview on General 4-H Project Judging Day:
   a. Completed project book
   b. Electric Radio-Controlled Vehicle
   b. Educational exhibit
3. You may be asked to participate in a skills test (driving your RCV through a simple course).

County Fair Exhibit:
An educational exhibit relating to project work displayed in a fair booth. It is recommended you do NOT display your radio-controlled vehicle at the fair!

State Fair Competition:
No State Fair competition for this project area.
