

Animal Tracks

Have you ever been on a walk and seen some tracks and wondered what made them? Animals make tracks as they move allowing us to study their habits.

Let's go on a search for animal tracks!

Using the animal tracks handout, go with an adult searching for animal tracks! You can look in your backyard, a park or a woods.

What animals did you find in your backyard? _____

What animals did you find in a woods or a park? _____

What type of ground (grass, mud or snow) is it easier to find animal tracks? _____

Matching Tracks

Matching Tracks

Draw a line matching the animal to its track!
