Treasurer

Welcome

Congratulations on your new role as your 4-H club's treasurer! Your club members have bestowed upon you both an honor and a responsibility. This record book will be used to keep financial records for your club. The *Treasurer's Resource Guide* can help prepare you to be a successful treasurer. Good luck!

Officer's Role in the Club

Serving as a club officer means you are part of a team. The team's responsibility is to hold a club meeting that is both well run and fun. The officers should meet with their club advisor before the meeting so that they are prepared to run the meeting and to help the club make decisions.

Your Role as the Treasurer

- Handle all money matters of the club and maintain accurate financial records.
- Prepare a budget, with your finance committee and advisor, to guide the club.
- Only spend money with proper club approval. (A motion, second, and two-third passing vote must be included in the meeting minutes. Voting on spending club money must be a countable vote, like raising hands or standing up. The actual count needs recorded in the minutes to clearly show the expenditure was properly approved by two-thirds of the members at the meeting).
- Never mix your own money with club money. Never use club money for your personal needs. Both of these practices are illegal.
- Keep an accurate record in the treasurer's book of all income and expenses.
- Deposit all funds in the bank within a week.
- Pay all bills promptly as approved by the club.
- Only pay by check or money order, and have paperwork for all bills paid.
- Write receipts for all money collected and maintain a copy of receipts in your records.
- Collect dues (if your club has dues), and keep an accurate record of dues paid.
- Prepare an accurate treasurer's report for each meeting and give the secretary a copy of the report to be recorded in the minutes.
- Serve on the club executive committee.
- Complete your *Treasurer's Record Book*, including the Yearly Financial Summary, prior to an end of the year financial review by the Financial Review Committee.
- Provide the following information to the Financial Review Committee:
 - Club budget, check register, bank statements, cancelled checks and deposit slips, receipts of all income, bills for all expenses and Treasurer's Record Book
- Have the Financial Review Committee complete the Financial Review Report.

Yearly Financial Review

After you have finalized financial records for the year and before the new treasurer takes over, the 4-H club must conduct a yearly financial review. A Financial Review Committee should be formed to conduct a review of club financial transactions and records for the year. The committee should consist of two adults (advisors or parents) and two members. No one on the committee should be from the treasurer's family or be a signer on the account.

Provide the following information to the Financial Review Committee:

- Completed treasurer's record book
- Check register
- Bank statements
- Receipt book
- Bills paid
- Completed secretary's record book

Procedures for the committee:

1. Check each month's reconciled bank statement and canceled checks. Make sure the check register and Record of Club Finances coincide.
2. Examine all voided checks. Confirm that the check was voided and never cleared the bank.
3. Total all funds received. Verify that receipts were written and that funds received were listed in the Record of Club Finances.
4. Total all deposits made to the bank account. This total should equal the total of all funds received.
5. Total all expenditures. Verify that a written bill or store receipt is on file for each expenditure. Confirm that all expenditures are listed in the Record of Club Finances.
6. Examine the Yearly Financial Summary in the treasurer's record book.
7. The treasurer's balance at the beginning of the year, plus all funds received, minus all expenditures, must equal the treasurer's balance at the end of the year.
8. Examine club minutes for treasurer's reports at each meeting and club approval (by two-thirds vote) of all expenditures.
