 - Jr. Fair Rabbit Sale (sale order: Turkey; Chickens; Rabbits)
 - Clean cedar under cages (*bottom cage cleans this day*)

REMINDERS:

- Exhibitors must transport their rabbits in an appropriate carrying cage. Proper transportation cages have openings in the bottom to let urine and feces through, but not large enough for the rabbits' feet to fit in. **Closed-bottom pet carriers and laundry baskets are not allowed.** Wire carrying cages with an attached manure tray or milk crates work the best.
- No livestock is permitted in the campgrounds.
- Barn Hours
 - **7:00am - 9:00pm** - Rabbit barn will be open daily during the fair.
 - **The barn will be closed during the rabbit show on Wednesday and during the sale on Saturday** (**exception: exhibitors may enter building to water/feed their rabbits, but must leave afterwards*).
- Exhibitors may keep **one coffee can size container of feed** on the available shelves in the barn. Larger containers will be removed by the barn superintendents.
 - Exhibitors' **personal items** must be **removed** from the barn by closing on **Saturday after the sale**. Any items left will be disposed of Saturday night.
