THINGS TO KNOW

MASKS: are NOT required at camp

CASHLESS CAMP: Campers will not need any money as crafts, snacks, a camp t-shirt, etc, are included in the camp fee.

VISITORS: Since this is a one-day camp, we understand travel time may be a burden and that you may want to stay in the area until camp dismisses. However, we ask that parents, grandparents, guardians, **not stay** with the camper as they participate in camp. You may wish to find a separate area of the park to relax, read a book or enjoy the scenery during camp time. We appreciate your cooperation in this matter as this *greatly* alleviates homesickness and disruption of both the campers & the camp schedule.

LEAVING CAMP: For safety reasons, and so everyone can enjoy the entire 4-H camp experience, campers will NOT be allowed to arrive late or come & go from camp. We enjoy having each camper fully participate from start to closing!

CAMPER RULES: Cloverbuds have simple responsibilities while at camp, including:

- Campers will help keep camp clean.
- Counselors will set & clear the tables and campers will clean their eating area.
- Campers may not leave the campgrounds without the Camp Director's permission.
- Campers are to respect & protect each other, the camp property, and the property of others.
- Campers taking medication must report to the Nurse. The Nurse will retain and administer the medication as prescribed.
- Weapons, fireworks and/or fire of any type are prohibited. This is a State Law in the Park.
- There will be NO SWIMMING for Cloverbud campers.
- NO CELL PHONES or ELECTRONICS are allowed.

FAILURE TO OBEY RULES is cause for immediate dismissal
without refund of Camping Fees.
